

3 Million Safe Man Hours Achieved at

Deepak Phenolics' Construction site, Dahej

Our Construction and Safety Teams working on the Phenol and Cumene Projects of Deepak Phenolics' Construction Site at Dahej have achieved the Safety milestone of 3 Million Safe Hours with zero Lost Time Accident at site.

While handing over the Safety Certificate to Mr R Bhandari, Sr GM and HoF Construction, Mr P Suresh, Resident Construction Manager, and Mr Santanu Acharya, Manager – Safety, tkIS India, Mr HH Pandya, Project Director, DPL praised the efforts of the tkIS India team in this regard. He also exhorted the teams to maintain their efforts in keeping the workplace safe.
