

CSR - tkIS India upgrades Digital Printing Technology Laboratory at GIPT, Mumbai

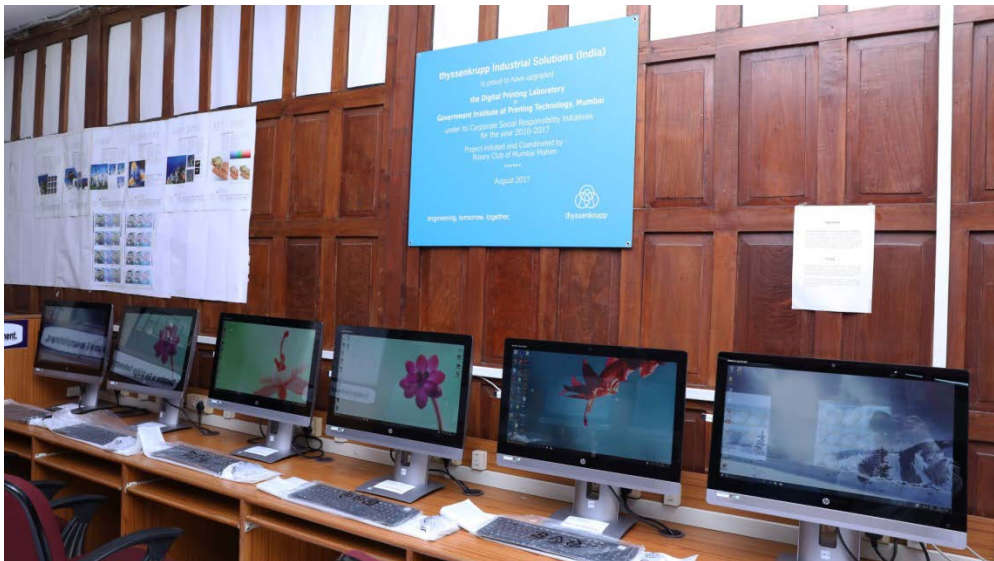

Continuing its CSR initiatives for 2016 17, tkIS India recently upgraded the Digital Printing Laboratory at Government Institute of Printing Technology (GIPT), Mumbai by providing 15 computers, one printer, Adobe Creative Cloud Software Suite and Cadlink RIP Software. The high-end printing software are used in advanced imaging and printing techniques, which are available only with GIPT Mumbai, out of the 27 Printing Technology Institutes pan-India. GIPT is a pioneer and premier institute under the aegis of the Government of Maharashtra and provides 3 years full time Diploma Course in Printing Technology to around 120 students, who are mainly from the underprivileged sections of society.

The Commemoration event to mark the Inauguration and Official handover of the upgraded Digital Printing Laboratory was held recently at GIPT, with dignitaries from GIPT, tkIS India and Rotary Club in attendance.
