

## tkIS India gets another feather in its cap – Wins Export Award from the EEPC

tkIS India was in the news again, winning another award from the Engineering Export Promotion Council of India (EEPC) – Western Region. The award was conferred under the category Special Trophy for Excellence in Engineering Process Outsourcing Services, for our export performance in the year 2015-16.

Our Executive Director (Technologies) – Mr. P. V. Chepe, received the award at the hands of Shri R. A. Rajeev, IAS - Principal Secretary - Finance, Govt. of Maharashtra, at the Award Ceremony on 30<sup>th</sup> November 2017, at ITC Grand Hotel, Mumbai.

The award comes close on the heels of tkIS India receiving an award for the year 2014-15 from the EEPC in the same category.

tkIS India has an impressive global footprint, having executed projects in over 40 countries, including the MENA Region, Europe and the Americas.
