

IIChE's Signature Event for Chemical Engineers

tkIS India again sponsored the **Outstanding Young Chemical Engineers (OYCE) Competition**, which was organised by the Institute of Chemical Technology (ICT) jointly with the Indian Institute of Chemical Engineers (IIChe) Mumbai Regional Chapter. The finals of the 13th edition was held on Mar 25 2017 at the ICT Auditorium.

The competition attracted a number of entries in the Undergraduate (UG) and Postgraduate (PG) categories. Teams from the Gharda Institute of Technology and the ICT were declared winners in the UG and PG categories respectively.

In keeping with its tradition of supporting the event and the industry, **tkIS India sponsored Gold Trophy for the Winner and Runner up under the category Post Graduate / Working Professional Category**, while Blast Carboblocks sponsored the Trophy for Undergraduates.

Participants at OYCE. At centre, is Mr Parag Chepe, ED T tkIS India, who was Chief Guest at the event (see next slide)

tkIS India sponsors OYCE 2017

IIChe's Signature Event for Chemical Engineers

Mr. Parag Chepe, Executive Director, Technologies – Business Units Fertilisers, Electrolysis and Polymers (FER & ELP) was the Chief Guest for the Valedictory Function at the event, and shared the dais with Mr MP Jain, IICHe President Mumbai Chapter, Dr Parag Gogate, Professor at ICT & Convenor for OYCE and Mr P Saxena, MD of Carboblocks.

Speaking at the event, Mr Chepe articulated the need for such programmes, which help develop and sustain the industry. He also recounted tkIS India's support for the event, which has been extended over the last 5 years.
