

# Process Plant & Machinery Association AGM

## ED Sales Mr KS Rao was Guest of Honour

## Head of Proposals Mr Sandeep Date re-elected Director

**Mr. K. S. Rao, Executive Director – Sales and Business Development** was Guest of Honour at the Process Plant & Machinery Association of India (PPMAI)'s 52<sup>nd</sup> AGM at the Hotel Orchid recently. Mr. Rao presented an overview of the Chemical Process Industry in India. Speaking at the AGM, Mr Rao voiced optimism that capital investment levels would perk up in the future, given the ever-increasing demands of a high population. The oil prices were still a cause of concern, and amongst the main reason for reduced investments. He cautioned however that players would need to diversify into new fields, and increase their export footprint.
