

tkIS India at the Process Plant & Machinery Association of India (PPMAI) AGM

‘I would like to thank my peers on the Board of PPMMAI and all our members and staff who contributed to my term as Chairman of the PPMMAI,’ said Mr Anil Rairikar, outgoing Chairman of the PPMMAI, the association for the Chemical Process Industries in India. Rairikar was giving his valedictory address at the PPMMAI’s 53Rd AGM held at the Orchid Hotel in Mumbai in Sept 2017. Mr. Anil Rairikar, who is also Managing Director, TUV India Pvt. Ltd. has been succeeded as Chairman by Mr. Yatinder Pal Suri, Managing Director and India head of Finland-based stainless steel major Outokumpu, on completion of his (Rairikar’s) term as Chairman. Mr Suri will serve as Chairman of PPMMAI for the period 2017-2018.

tkIS India is a long-standing member of the PPMAI, having had several of its executives as Chairman or Board Members. **These include Mr PD Samudra, as erstwhile Chairman, Mr KS Rao, Mr AN Iyer and Mr VK Joshi as past Directors.**

The 53rd AGM witnessed the re-election of our **Mr Sandeep Date, Head of Proposals** as Director on the Board of PPMAI for a third time for the period 2017-2018.

tkIS India was felicitated at the AGM for the awards it received in recent times. These included the Export Award for 2014-15 from the Engineering Export Promotion Council (EEPC) and the Sustainability Award from the Indo German Chamber of Commerce for Sustainable Business Practices. Mr. Date received the award on behalf of tkIS India.

Mr. Manish Bhoslay, Head of Business Development was also present at the AGM.
