

tkIS India receives EEPCC Special Trophy for its

Exports performance for the year 2014-2015

tkIS India received **Special Trophy for “Engineering Process Outsourcing Services for 2014-2015** from the Engineering Export Promotion Council- (EEPC) of India Western Region. The award was received by our Mr. K. S. Rao, Executive Director– Industrial Specialities from Honourable Minister for Power, Mr. Piyush Goyal at an Award Function held in Mumbai on May 20, 2017.

For tkIS India, the award comes as a vindication of its successful export performance over the years. Our global footprint extends to almost 40 countries covering Europe, the Americas, Middle East, Africa, South East Asia and Asia.

This is the 8th award received by tkIS India from the EEPCC at the Western Region and National level. Previous awards covered the years : 2013-14, 2010-11, 2007-08, 2005-06, 2003-04, 1989-90, and 1988-89.
